

COMMUNITY BUTT CAN SPONSORSHIP

Hold On To Your Butt Program

The Surfrider Foundation Galveston Chapter's **Hold On To Your Butt** program aims to raise awareness about the environmental impact of cigarette butt litter in our oceans and on our beaches. Our goal is to eliminate cigarette butt litter in Galveston and beyond.

Environmental Impact of Cigarette Butts

- 4.95 trillion cigarette butts are disposed of in our environment annually
- Cigarette butts leach toxins when wet, posing a threat to marine and wildlife
- Cigarette butts can take up to 25 years to decompose
- Litter clean-up costs the U.S. over 11 billion annually

A Surfrider Foundation Solution - Community Butt Cans

Butt cans reduce cigarette butt litter and improve the quality of business districts for residents and visitors. The butt cans are placed in high foot-traffic locations. These durable outdoor receptacles provide measurable results of cleaner and healthier surroundings and environment.

YOU CAN HELP BE PART OF THE SOLUTION: ***SPONSOR THE INSTALLATION OF COMMUNITY BUTT CANS***

Your business or organization can become a “local partner” by sponsoring a *Community Butt Can* and immediately improving our community. Your sponsorship will help reduce the impact of cigarette butt litter in our oceans and on our beaches. You will be recognized on Surfrider Foundation’s website and through other media outlets for your contribution to our community.

Community butt cans are installed in locations approved by our local partners. Our HOTYB volunteers are responsible for maintenance and emptying the butt cans. Partner with Surfrider Foundation and be a part of reducing cigarette butt litter in our environment!

Complete this Community Butt Can Sponsorship form and send to Surfrider Foundation, Galveston!

Please indicate below which butt can you prefer:

- We prefer the butt can that can be affixed directly to a pole or wall at \$115.00 each.
- We prefer the free-standing butt can in a planter at \$185.00 each.

Pole Mounted

Planter Stand
